

Full Name: Saleh A. Lazam

Place of Birth: Iraq

Date of Birth: 01/01/1975

Nationality: Iraqi

Language: Arabic, English

**Place of work: Physics Department, Science Faculty, Muthanna University,
66001 Samawa, IRAQ.**

Mobile No. : +9647800065512

sala @mu.edu.iq

ACADEMIC SCIENTIFIC RANK

- Assistant Lecturer (geology) at 23- December-2010. (University Al-muthaan)
- Asst. Prof. 2009 (Libya – University of Al-Marqeb)
- Lecture. 2006 ((Libya – University of Al-Marqeb)
- Assistant Lecturer (geology) at - April-2000. ((Libya – University of Al-Marqeb)
- Assitant Resarcher 1999 Basrah university.

FELLOWSHIP

Non

QUALIFICATION

- **M.Sc. (Geology – Sedimentology), Basrah University, (1999).**
- **B.Sc. (Geology), Basrah University, IRAQ (1997).**

Title of the MSc Thesis

Evaluation Geological Study to the lower part of Khasib formation in Selected wells south east Iraq

POSITION HELD

Quality Assurance and performances Evaluation unite

COURSES TAUGHT

A- UNDER GRADUATE

No.	Subject	Study Stage	Department
1	General geology	1 st	Chemical
2	General geology	1 st	Environment
3	Environmntal Geology	2nd	Environment
4	Geomorphology	2nd	Environment
5	Field training	3th	Environment
6	Undergraduate Project	4th	==
7	Sedimentology	2th	Geophysics Dept.
8	Rocks & Minerals	3th	Geophysics Dept.
9	Physical geology	1st	Pure science education College

C- PUBLICATIONS

PAPERS	
1	INTERPRETATION OF GRAVITY DATA: SIRT BASIN (CENTRAL NORTH OF LIBYA)
2	Comparison of the application of equations of desertification & drought in the desert of Muthanna - southern Iraq
3	Early & Late Diagenetic processes <u>OF THE</u> stratigraphic sequences outcrops (Middle Eocene-Pleistocene) in the Southern Desert, Iraq
4	<u>MINERALOGICAL & PETROGRAPHIC MICROFACIES STUDY OF THE ZAHRAA FORMATION (PLIOCENE – PLEISTOCENE) IN SAWA LAKE SURROUNDING AREA -IRAQ</u>
5	Petrographic Microfacies Study of the Nfayil formation (Middle Miocene) in Southern Muthanna Desert, -IRAQ
6	
7	
8	
9	
10	
11	
12	
13	
14	
15	
16	

D- CONFERENCES

1	The Tenth Mediterranean petroleum Confernce and Exhibition,2004,Tripoli- Libya
2	المؤتمر العلمي الدولي الرابع لكلية التربية للعلوم الصرفة- جامعة ي قار, 2013
